Project Overview

Design a user-friendly and visually appealing user interface(UI) for interior studio website

Naebu

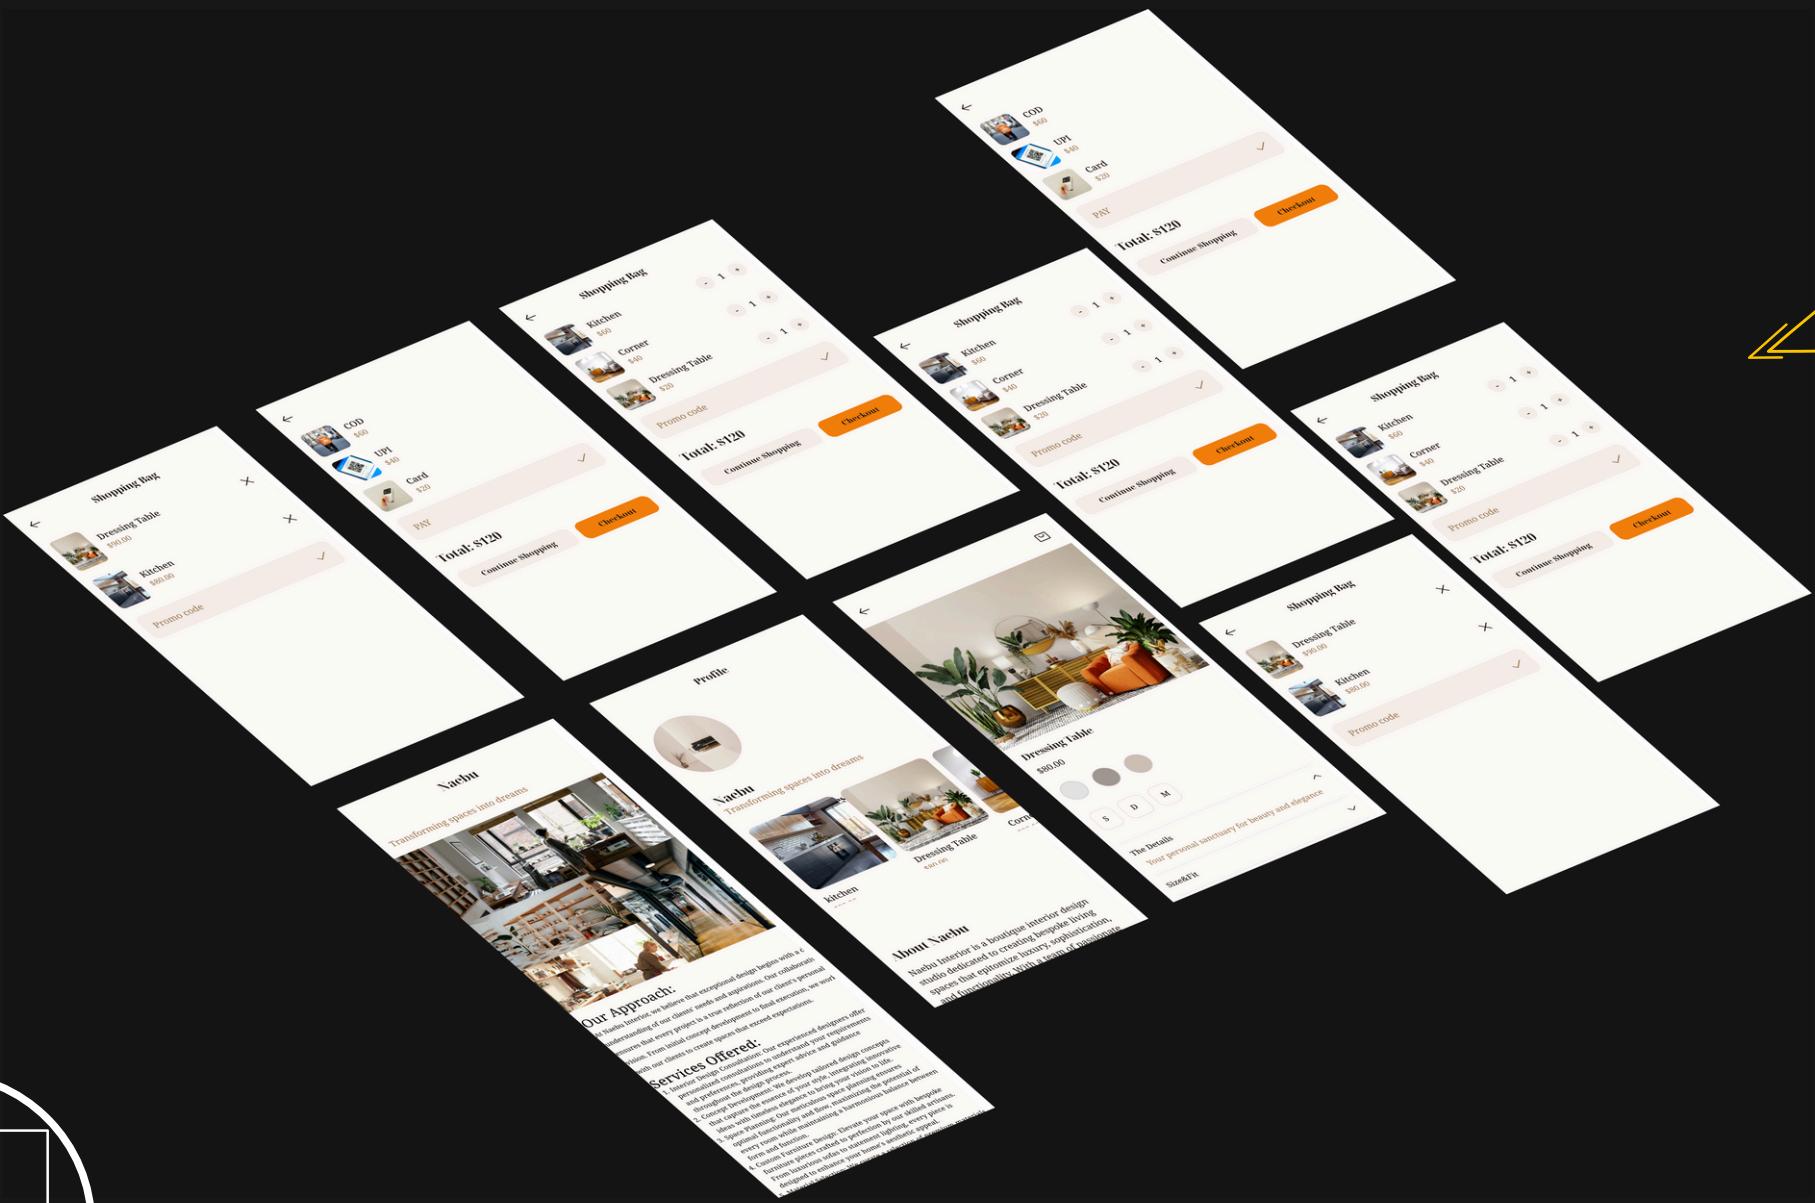

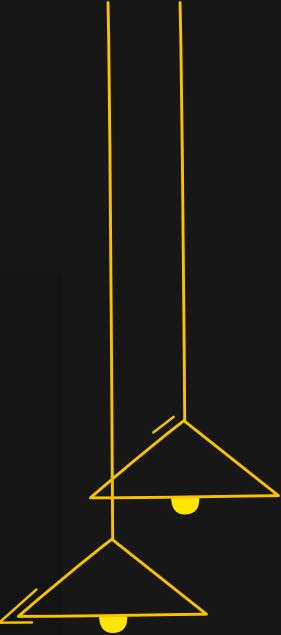

Transforming spaces into dreams

MacBook Air

App screens

Landing screens

The image displays three mobile device screens showing different pages of the Naebu interior design application.

- Profile Screen:** Shows a circular profile picture placeholder, the brand name "Naebu", and the tagline "Transforming spaces into dreams". It also features a "Featured Spaces" section with thumbnail images and details for a "kitchen" (\$90.00) and a "Dressing Table" (\$80.00). Below this is an "About Naebu" section with a detailed paragraph about the studio's mission and services, followed by a list of six services offered. At the bottom are navigation icons for Home, Search, Orders, and Account.
- Home Screen:** Displays the brand name "Naebu" at the top, followed by the tagline "Transforming spaces into dreams". It shows a grid of four images representing different interior spaces. Below the images is a section titled "Our Approach:" with a detailed paragraph about the company's collaborative process. Further down is a "Services Offered:" section with a numbered list of six services. At the bottom are navigation icons for Home, Search, Orders, and Account.
- Product Detail Screen:** Shows a large image of a bright, modern interior space featuring a yellow sideboard, an orange armchair, and various plants. The product title is "Dressing Table", the price is "\$80.00", and there are color swatches for S, D, and M sizes. Below this are sections for "The Details" (with a sub-section for "Your personal sanctuary for beauty and elegance"), "Size&Fit", and "Composition & Care". At the bottom are "Add to Bag" and "Buy Now" buttons.
